CALIFORNIA LEGISLATURE—2015–16 REGULAR SESSION

ASSEMBLY BILL

No. 36

Introduced by Assembly Member Campos

December 1, 2014

An act to amend Section 54141 of, and to add ~~Sections~~ *Section* 54145 and ~~54956.97~~ to, the Government Code, relating to local government.

LEGISLATIVE COUNSEL'S DIGEST

AB 36, as amended, Campos. Local government: federal surplus property.

Existing law, the Federal Surplus Property Acquisition Law of 1945, authorizes a local agency, as defined, to acquire surplus federal property without regard to any law which requires posting of notices or advertising for bids, inviting or receiving bids, delivery of purchases before payment, or prevents the local agency from bidding on federal surplus property. ~~Existing law, the Ralph M. Brown Act, requires that all meetings of a legislative body, as defined, of a local agency be open and public and all persons permitted to attend unless a closed session is authorized.~~ Existing federal law authorizes the Department of Defense to transfer surplus personal property, including arms and ammunition, to federal or state agencies for use in law enforcement activities, subject to specified conditions, at no cost to the acquiring agency.

This bill would prohibit a local agency, other than a local law enforcement agency that is directly under the control of an elected officer, from applying to receive tactical surplus military equipment, as defined, pursuant to the above-described federal law unless the legislative body of the local agency approves the acquisition by ordinance or resolution at a regular public meeting. ~~The bill would authorize the legislative body to consider the ordinance or resolution during a closed session of a regular meeting upon determination of 2/3 of the members of the legislative body, as specified.~~ The bill would require the ordinance or resolution to include a list of the types of tactical surplus military equipment, or, if the legislative body considers the ordinance or resolution during a closed session, a statement that the local agency is authorized to acquire tactical surplus military equipment, *equipment* and would require the legislative body to review the ordinance at least annually, as specified. The bill would prohibit a local agency from applying to receive specified types of equipment. The bill would also declare that this is a matter of statewide concern.

The bill would also require the state agency that has signed a current memorandum of agreement with the Defense Logistics Agency for the purpose of administering a state program for acquiring surplus military equipment to develop a list of tactical surplus military equipment by January 31, 2016, as specified, and post the list on its Internet Web site.

By adding to the duties of local government officials, this bill would impose a state-mandated local program.

The California Constitution requires local agencies, for the purpose of ensuring public access to the meetings of public bodies and the writings of public officials and agencies, to comply with a statutory enactment that amends or enacts laws relating to public records or open meetings and contains findings demonstrating that the enactment furthers the constitutional requirements relating to this purpose.

This bill would make legislative findings to that effect.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.

The people of the State of California do enact as follows:

1 SECTION 1. Section 54141 of the Government Code is

24 read:

25 54145. (a) A local agency, other than a local law enforcement
26 agency that is directly under the control of an elected officer, shall

(d) The Legislature finds and declares that this section constitutes a matter of statewide concern, and shall apply to charter cities and charter counties. The provisions of this section shall supersede any inconsistent provisions in the charter of any city, county, or city and county.

(e) (1) The state coordinator, by January 31, 2016, shall develop a list of tactical surplus military equipment. The list shall identify surplus military equipment that warrants public input pursuant to this article. The state coordinator shall post this list on its Internet Web site and update it at least annually.

(2) In developing the list required by this subdivision, the state coordinator shall consider the current list of controlled property designated by the federal Defense Logistics Agency, as well as any other state or federal regulations or policies governing the use of surplus military equipment.

19 ~~(1) The ordinance or resolution is listed on the agenda of a~~
20 ~~regular meeting pursuant to Section 54954.2.~~

21 ~~(2) A member of the legislative body, during an open session~~

31 ~~SEC. 4.~~

32 *SEC. 3.* The Legislature finds and declares that Section 2 of
33 this act, which adds Section 54145 to the Government Code,
34 furthers, within the meaning of paragraph (7) of subdivision (b)
35 of Section 3 of Article I of the California Constitution, the purposes
36 of that constitutional section as it relates to the right of public
37 access to the meetings of local public bodies or the writings of
38 local public officials and local agencies. Pursuant to paragraph (7)
39 of subdivision (b) of Section 3 of Article I of the California
40 Constitution, the Legislature makes the following findings:

1 Requiring local agencies to hold public meetings prior to the
2 acquisition of federal surplus military equipment further exposes
3 that activity to public scrutiny and enhances public access to
4 information concerning the conduct of the people's business.

5 ~~SEC. 5.~~

6 *SEC. 4.* No reimbursement is required by this act pursuant to
7 Section 6 of Article XIII B of the California Constitution because
8 the only costs that may be incurred by a local agency or school
9 district under this act would result from a legislative mandate that
10 is within the scope of paragraph (7) of subdivision (b) of Section
11 3 of Article I of the California Constitution.
